

PATRICK KWINTEN

NOTES/DOMINO ARCHITECT & XPAGES DESIGNER

👤 40 yrs 🌍 Netherlands 🇸🇪 Sweden
 🌐 quintessens.wordpress.com ✉ patrick.kwinten@gmail.com

For more than ten years now I have been developing web-based collaborative solutions for the Notes & Domino platform. Besides building solid rock applications I have a strong eye for usability and presentation.

"What a wonderful world the Web can be."

2011 - 1997

Application Development IBM Notes & Domino

Development of a large amount applications for Notes client and/or Web clients. Applications vary from document management systems, graphical systems, platform system applications and publishing tools.

Clients: i.a. DuPont, Philips Electronics, ABN Amro, Sandvik

2001 - 1997

System Administration IBM Notes & Domino

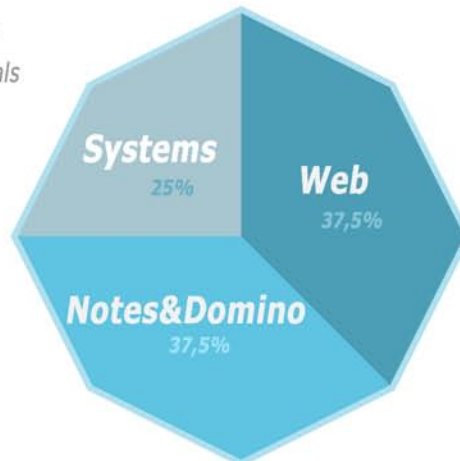

Administration for a small organization within a large corporate environment. Both server administration as client installation support.

Clients: i.a. Philips Electronics
